**OUR MISSION & OBJECTIVES** 

Established in 2018, Kimia Exir co. is a leading wholesale supplier of 100% pure Essential Oils, Natural Raw Materials and Specialty Packaging. Through on-going relationships with leading suppliers all over the world, we can offer the most competitive wholesale prices. We have combined the purchasing power of all our global locations to negotiate high-volume contracts that allow us to pass on substantial savings to our customers, as well as offer special pricing for bulk orders. We do our best to source all our products from organic growers and distillers, leaving our products free from pesticides or chemical fertilizers.

With an unwavering commitment to offer the highest quality products, we firmly believe Quality Assurance is of utmost importance.

We relentlessly work towards improving our operations to meet and exceed the latest industry standards.
